

Technical Data Sheet

SILVERHOOK YELLOW HAND CLEANER
Ref: SGSY1/SGSY5

PRODUCTS

Silverhook Yellow Hand Cleaner – SGSY1 (1L), SGSY5 (5L)

PRODUCT DESCRIPTION

A heavy duty beaded hand-cleansing gel, based on natural ingredients. The gel formulation has been specifically designed to melt on the hand when subjected to body heat allowing for better penetration and removal of ground-in dirt. The double action beads enhance the cleaning action without scouring skin. Suitable for use in any area where heavy soiling of the hands occurs: garages, workshops, printing industry, building industry, DIY, etc.
A yellow coloured viscous gel, with pleasant citrus fragrance.

APPLICATION

Apply to dry hands and work well into skin to loosen dirt.
Remove by washing hands in clean warm water.
Dry hands thoroughly after use and apply moisturising cream to keep skin in good condition.
N.B. Prior to commencing any work always use barrier cream to aid the removal of ground-in soil.
