PRODUCTS

Silverhook Service Spray – SGWD1

PRODUCT DESCRIPTION

Multi-purpose maintenance fluid. Penetrates, lubricates & protects.

FEATURES

- Penetrates corroded parts, seized nuts and bolts etc. for easy removal. Frees door locks and hinges, linkages etc. and is ideal for all moving parts requiring light lubrication. Stops squeaks.
- Displaces rain/seawater and moisture from metal surfaces (i.e. garden tools), ignition systems (inc. automotive and marine) and moving parts.
- Removes dirt and grime and protects against rust and corrosion. Also removes crayon marks, gum, adhesives and tar from most surfaces.
- Oil based, silicon free formulation.

APPLICATION

- To penetrate rusted joints:
Spray and leave for a moment before continuing work. Repeat if necessary.
- To protect metal:
Do not wipe off after applying. Allow to dry to leave protective coating.
